

## **Puppy's Choice - Puppy Food**

Puppy's Choice is the perfect dog food for tomorrow's champions-in-training. It is a complete and balanced diet that is highly digestible and it provides all the vitamins, minerals, protein and fat that puppies need during the stressful growth span of the dog's life cycle. Each bite size nugget is coated with a special milk product your puppies will love. Puppy's Choice can also be fed to reproducing females or to maintain adult dogs.
